

# SnapWords™ Sentence Unscramble

# E

- The following sentences contain all SnapWords™ from List D.
- Print the following pages, cut the strips apart, then cut the strips into words.
- Store each cut-up sentence in a separate ziplock snack bag or envelope.
- To prepare a center, select six sentences, one from each of the six colors. Give one to each child. After they unscramble their sentence, they will put the words back in the bag, zip it shut, then pass to their neighbor. If the sentences should get mixed up, the color-coding will help with the sorting process.
- For accountability and assessment, the children could write their sentences in a center folder for you to check later.

They went into the basement.  
I had an accident on my bicycle.  
The husband heard the accident.  
Our company got the prize!  
I was careful to carry them well.
